# Registration – Registration Completion Reply

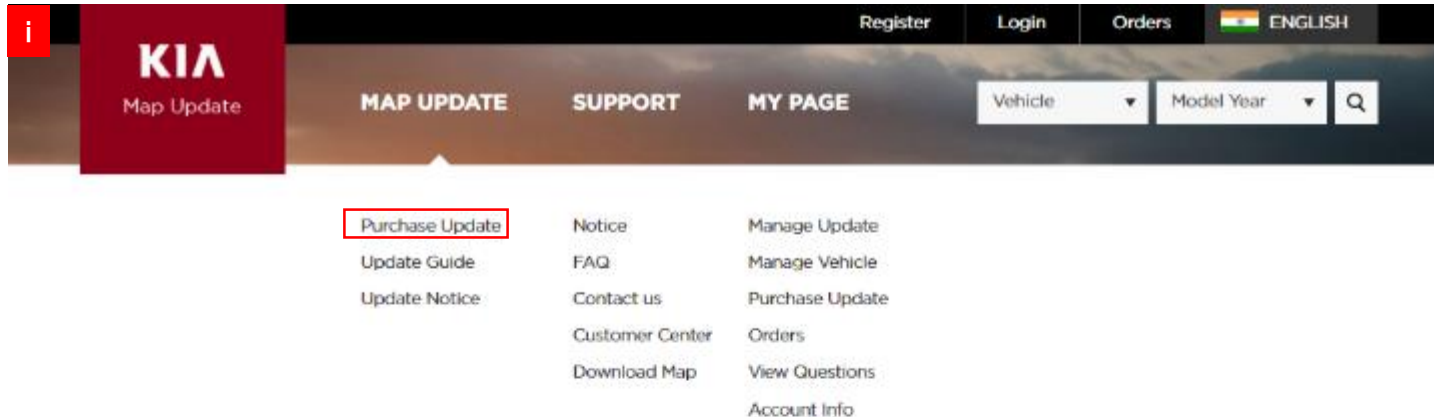

Registration Completion Reply	
①	Registration completion reply will be sent to your email address.
②	If you do not receive the email, click "Resend Confirm Mail"
③	In order to go back to the main page, click "Go Main Page".

**You need to confirm the registration completion reply email within 24hours, or all information you registered will be initialized automatically.**

**Then, you need to register from the beginning.**

# How to get Free Map Update

# How to get Free Map Update

## Purchase Map Update

- ① Click MAP UPDATE > Purchase Update

## UPDATE GUIDE

Please keep your navigation system updated to ensure a comfortable driving experience.

Follow these easy and simple steps.

## NOTICE

[MAP UPDATE] RELEASE INDIA 2018

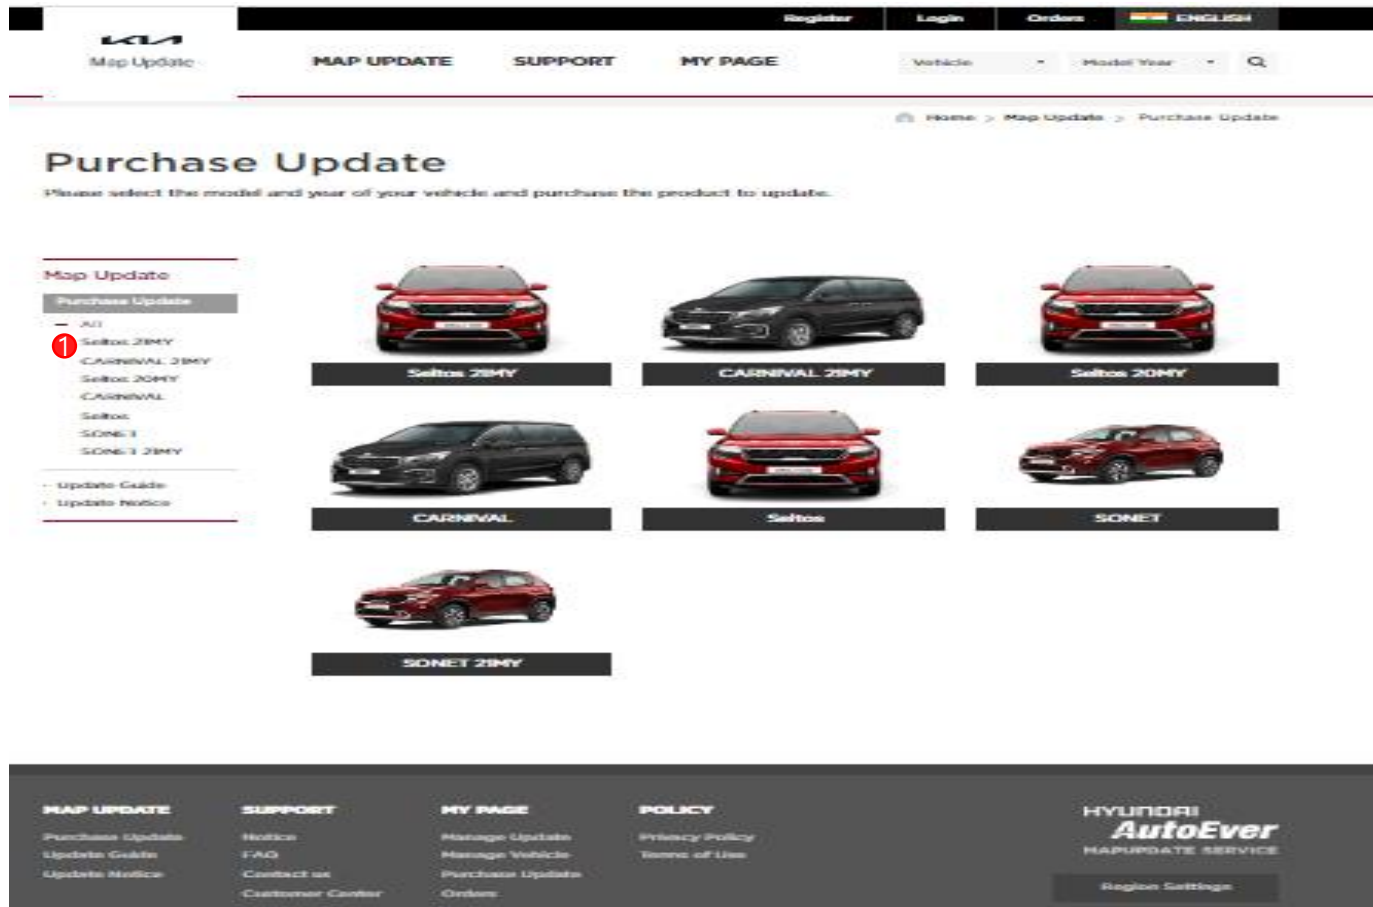

19-May-2020

[SUM] Creta, Verna, i20(Nand Type)

19-May-2020

# How to get Free Map Update

i

## Purchase Map Update

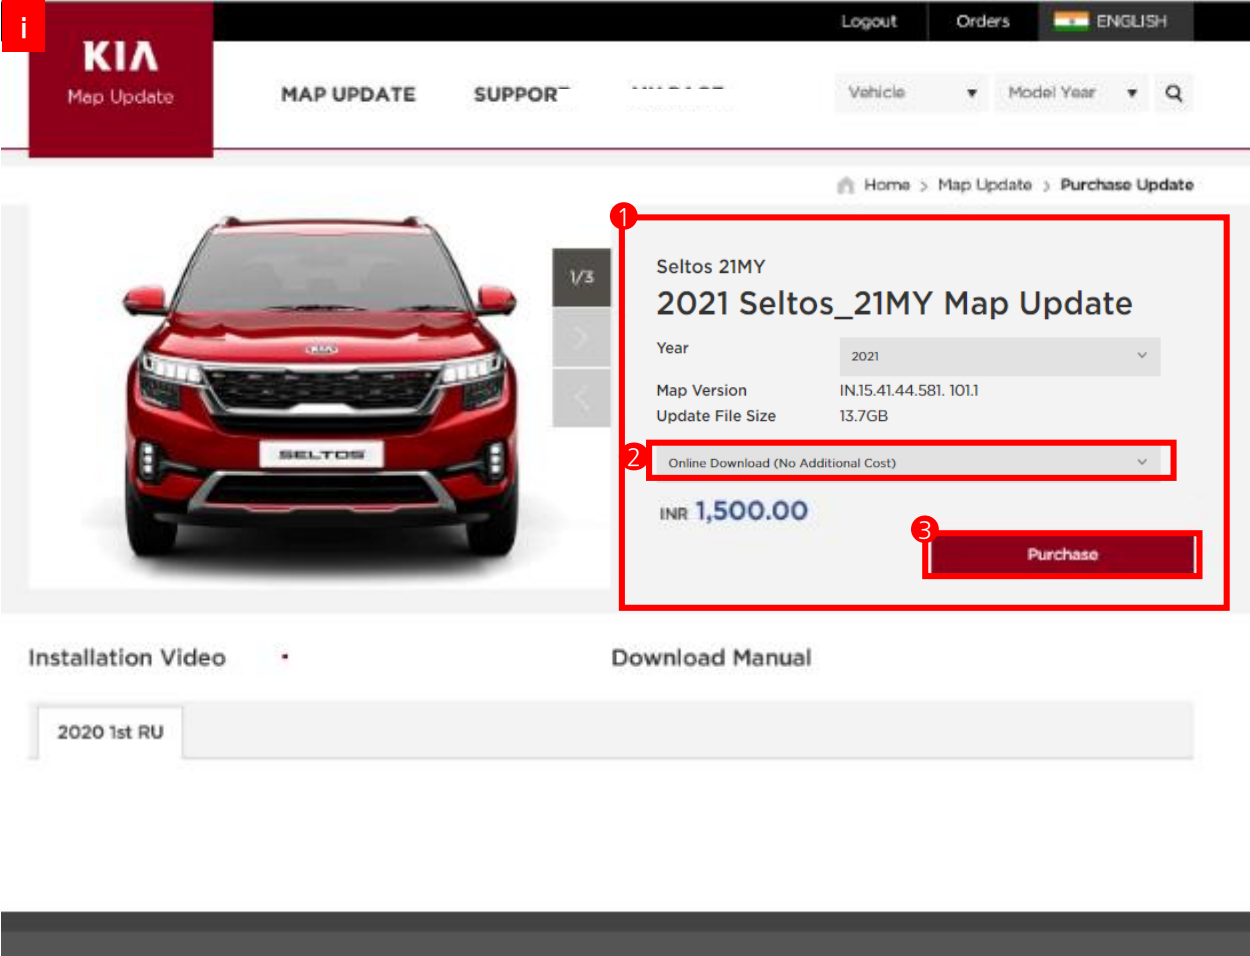

- ① Select your vehicle as a picture i .
- ② Select the year of your vehicle as a picture ①

If the vehicle model released in the same year is different, you can select the same image as yours.

If the navigation H/W maker has changed in the same year, you can select the same image of dashboard as yours.

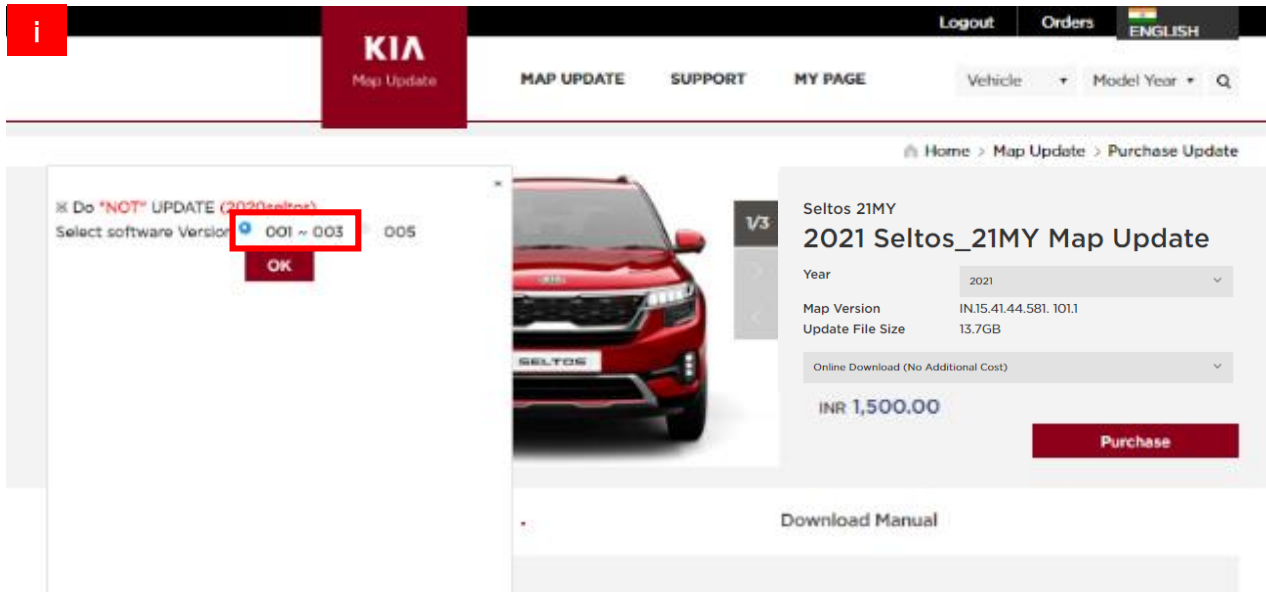

# How to get Free Map Update

Purchase Map Update	
①	You can see the vehicle information you chose. Also, you can see the map update information in detail.
②	Choose how to update <b>1) Online Download</b> : You can download the map update file on online and move to your own memory.
③	Choose one of two options and click "Purchase" button to proceed map update.

※ Initially, you'll see paid update price. However, if you are eligible for a free update, the price will be changed and displayed as zero on the next step.

# How to get Free Map Update

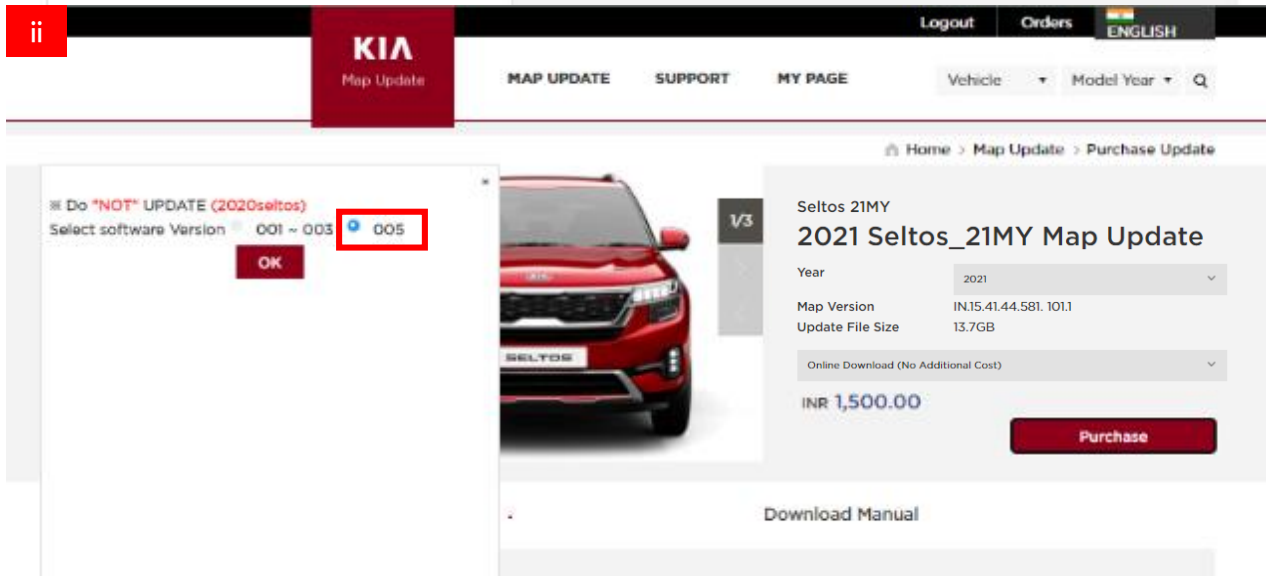

## Purchase Map Update

- ① If your software Version includes 001~003 select as picture i → GO TO 2 NEXT PAGES
- ② If your software Version includes 005 select as picture ii → GO TO NEXT PAGE

## ※ HOW TO FIND MY SOFTWARE VERSION ※

On your AVN → Push Setup Button → Select General Icon → Select System info Tab → Select Version Info/Update → \* Find Software

# How to get Free Map Update – VERSION 005

The screenshot shows the KIA Map Update website interface. At the top, there is a navigation bar with 'Logout', 'Orders', and 'ENGLISH' (with a flag icon). Below this, a header section includes 'KIA Map Update', 'MAP UPDATE', 'SUPPORT', and a search bar with 'Vehicle' and 'Model Year' dropdowns. The main content area features a red KIA Seltos 21MY and a '2021 Seltos\_21MY Map Update' section. This section displays the year '2021', map version 'IN15.41.44.581. 101.1', update file size '13.7GB', and a price of 'INR 1,500.00'. A 'Purchase' button is visible. A pop-up message box is overlaid on the page, titled '웹 페이지 메시지' (Web Page Message). It contains a yellow warning icon and the text: 'Your software is latest version. Look forward to hear next updates soon.' At the bottom right of the pop-up, there is a button labeled '확인' (Confirm), which is highlighted with a red box and a red circle with the number '2'. A red circle with the number '1' is also present near the top left of the pop-up.
